PROFESSIONAL LEVEL · OFQUAL 610/5739/3

ProQual Level 5 Diploma in Engineering Survey

For existing surveyors ready to plan, manage and lead survey work.

START DATE	STUDY OPTIONS	UNITS	ENTRY
Third weekend of every month	**Online, or college on the 3rd weekend**	**6, one at a time**	**Existing surveyors only**

OPTION 1 · ONLINE ONLY

£400 + VAT per unit

£2,400 + VAT for all six units (£2,880 inc. VAT)

- For existing, working surveyors
- Distance learning: course notes, video and audio lessons, yours to keep for life
- Portfolio built from your own projects, with assessor support

OPTION 2 · FACE TO FACE AT COLLEGE

£600 + VAT per unit

£3,600 + VAT for all six units (£4,320 inc. VAT)

- Classes on the third weekend of each month, Saturday and Sunday, in London
- Up to six months of college attendance
- Plus the same online materials, yours to keep for life

Open to existing, working surveyors only

Each unit must be completed before you progress to the next unit. Additional certification fees apply, per unit or per qualification. Please contact us for details.

The six units

Agree Project Requirements
Safe systems of work, risk, contracts and resources

Geometric Design and Site Surveying
Alignments, road design and earthworks volumes

Technical Information Systems
Digital imagery, 3D data and GNSS processing

Plan Methods, Resources and Systems
Survey plans, procurement and quality control

Control and Setting Out
Control networks and infrastructure setting out

Spatial Data
Plans, published data and accuracy checks

Assessment

A portfolio of evidence from your own projects, plus site assessment at your workplace: reports, professional discussion and questioning. Pass or fail, externally quality-assured by ProQual.

Why Finchley College

- Entry checked: existing surveyors only
- Taught by experienced engineers
- One-to-one assessor support for your portfolio
